JABRA GO™ 6470

DATASHEET

STAY IN TOUCH WHEREVER YOU GO
– ONE HEADSET FOR ALL YOUR PHONES

Once you've experienced the liberty of a Bluetooth® headset, it's hard to go back to talking while holding your mobile. Why should it be any different with your desk or softphone? With the Jabra GO™ 6470, you can always enjoy the freedom of having your hands free – regardless of which phone you use.

READY, GET SET, GO!
Wear your Jabra GO™ 6470 headset when you're out and about talking on your mobile phone. Back at the office you can also enjoy instant, seamless connectivity with your desk and softphone. No matter which line your contacts try to reach you on, you'll always be able to answer just by tapping the headset button.

UNBEATABLE SOUND
Featuring state-of-the-art audio technologies, the Jabra GO™ 6470 delivers such superb sound quality you'll never want to answer a call without it! A dual microphone Noise Blackout™ system with advanced Digital Signal Processing practically eliminates all background noise, so your voice can be heard clearly even from a noisy location. Wideband quality ensures that the sound you hear is crystal clear, while SafeTone technology protects your hearing.

USER-FRIENDLY TOUCH SCREEN BASE
With Bluetooth®, USB and telephone support, the stylish Jabra GO™ 6470 touch screen base is the key to uniting all your phones. A SmartSetup wizard helps you connect phones and select preferences to get started. Once you're up and running, the screen's colorful icons and intuitive menu make call handling a breeze.

- Multiuse connectivity: mobile, desk and softphone
- Touch screen base with SmartSetup wizard
- Wideband sound (150 Hz – 6,800 Hz)
- Touch sensor volume/mute control
- Dual microphone Noise Blackout™ system
- Full hearing protection with Jabra SafeTone
- Up to 300 feet wireless Bluetooth® range
- Minimal energy consumption with Jabra IntelliPower
- Superior comfort with 3 wearing styles
- Up to 6 hours talk time
- Fast charging

JABRA GO™ 6470

FEATURES & BENEFITS

	FEATURE	BENEFITS
Ease of use	Hands-free telephony with Bluetooth® for up to 300 feet wireless range*	Long range connectivity gives users the freedom to multi-task with maximum efficiency and answer phone calls up to 300 feet away from their desk & softphone. Headset range from mobile phone varies according to model but typically up to 80 feet*.
	Multiuse connectivity – mobile, desk and softphone	Allows users to switch seamlessly between calls on mobile, desk and softphones.
	Talk time up to 6 hours**	No need to charge headset even with consecutive meetings
	3 wearing styles: – Earhook – Headband – Neckband	Swap easily between different wearing styles and attach the headset to whichever ear the user prefers. Neckband is available as accessory.
	Headset controls: – Multifunction button – Headset touch sensor	Includes remote answering/ending of calls, voice-activated dialing, call rejection, redial function, swapping between held calls. Volume controls and microphone mute.
	2.4" Touch-sensitive screen in Q-VGA resolution for call handling, system configuration and setup wizard	Intuitive touch screen call management. Shows active phone device, lets you browse mobile-phone call-history and redial. Easy system configuration with SmartSetup wizard.
	Bluetooth® compliance	Bluetooth® 2.1.
	Standby time 100 hours	Less need to change headset.
	Travel charger	Allows users to charge the headset from any electrical socket, PC or car adapter.
Comfort	3 wearing styles: – Earhook – Headband – Neckband	Swap easily between different wearing styles and attach the headset to whichever ear the user prefers. Neckband is available as accessory.
	Headset weight: less than 1 oz.	Lightweight office headset.
Audio	Wideband sound and DSP (Digital Signal Processing)	Hear and be heard with digitally enhanced speech in wideband quality. Helping users hear callers better, this feature enhances understanding and call efficiency
	Choice of wideband (150-6,800 Hz) or narrow-band (300-3,400 Hz) to match phone systems	Close integration with the specific type of phone system means better call clarity for both parties.
	2-microphone Noise Blackout™ technology	State-of-the-art noise-canceling reduces distractions by almost eliminating background noise, so only the user's voice is transmitted.
	Jabra SafeTone technologies	Protects users' hearing by cutting off sound spikes and sudden loud noises (PeakStop™ protection) and securing safe average sound levels throughout the day (IntelliTone™). Fully compliant with noise-at-work legislation.
Additional	Softphone drivers available for intregrated call controls	Users can answer/end calls up to 325 feet away from their desk or softphone.
	Minimal energy consumption with Jabra IntelliPower system	Headset and base go into sleep-mode when not active. Screen display is automatically dimmed and a switch mode power supply ensures reduced power consumption.
	Security: encryption between headset and connected device	Secure conversation. No one can listen to your conversations.
	Security: Kensington Lock	Theft protection of the base
	North America: One-year limited warranty	With GN Netcom's no fine print 1-year warranty,

* Range varies according to the environment in which the headset is used
** Talk time depends on the device with which the headset is connected

SAFETY

The Jabra GO™ 6470 meets the requirements of the international standard IEC 60950-1. It also meets EN 60950, AS/NZS 60950 and UL 60950 IT equipment safety standards.
